Message from our Band Director

Happy Halloween!

It is that time of the year when the ghouls and goblins come out and the high school marching bands are well on the way to finishing their season. I have given the band Halloween off. We have finalized the drill for the field show (version 3) and things are looking very good. From a competition standpoint, we are doing very well finishing in first place in every event so far this year. At the Golden State Field Classic we had our best attendance of the year.

Parents, we really need your help. This years show was designed with 7 backdrops and 8 front drops. It takes 25 people to get all of this on to the field for our show. So far we have had 15 people to take out these props. Thank you to those of you that have helped! Please fit our performances into your schedule so we can get all of our props out for the remaining shows.

Our band program is doing really well right now. The program is paid for by your "Fair Share" donations. We are behind in collecting this money. It would be a shame to not be able to finish this season because we did not have enough money. Please take care of your financial obligation.

Hawaii or San Diego? That is the question for next year's trip. Your students were given a form to bring home this past week. Make sure this form is turned in by November 3rd with a deposit check if you want your child to go on next year's overnight trip.
Musically yours,

Mr. B
