

Don Lugo High School Band & Color Guard

Mr. Jim Bunselmeier, Band Director
13400 Pipeline Ave. Chino, Ca. 91710

Dear friends of Don Lugo High School Band and Color Guard,

I am a student at Don Lugo High School Band and Color Guard. This letter is an introduction to our community sponsorship program. As you may or may not know, the funding for the band program comes primarily from fundraisers, donations, or from our parent's pockets. Donations from community minded individuals, such as you, will greatly enhance our educational opportunities in band. The following are a few examples of how your donation will help: sheet music, clinician fees, new instruments, instrument repair, bus transportation, competition entry fees, staff salaries, colorguard equipment and uniforms, and the list go on and on.

Last year we had our most successful marching season yet, repeating our first place win in the Southern California Judges Association field show championship and placing third in our division in Southern California Bands and Orchestra Directors Association that compete in field show championships.

As a sponsor, your ad will appear in three concert programs (fall, spring, and Awards Dinner). Average attendance to these events is 200.

When you become a sponsor, 50% of your **tax-deductible donation** will go into a student's fair share account (each student is responsible for raising \$500 for the band program) and the other 50% goes directly into the band boosters' general fund.

Thank you for your anticipated participation,

Student in Don Antonio Lugo High School Band & Color Guard
